Dearie -

This is a dandy place to improve spiritually but, physically, ~~to much~~ to do - never the less, we are going to "Mt Mitchell" in the morning, then, guess I'll put in the rest of my time in Sunday School study -

The people here are of a high moral type of real Christians and of course ~~I am~~ strange as it may seem to you, I am enjoying it hugely - I landed at the Hotel with

only \$19<sup>00</sup> ~~500~~ - and did not spend  
a cent on fare. This R.R. business  
is poor. I only used the putman  
from Albany to Atlanta and  
Bess didn't use it at all.  
But I am not sorry I came  
for I am getting so many  
idea that will help me to  
help Boy Country -  
I expect to spend the last  
of my stay at the Baptist  
place, to pick out a place  
to come next year -  
The Presbyterians are very nice  
to me, but of course I'll have

to get into my own rambles, before  
I go to you - Please I wish you  
OK well - Any way I am glad  
you are willing for me to do these  
things -

Bess is having dinner with a  
friend today - She is a queer child.  
I had Cabbage, new peas, cornbread  
and boiled ham for dinner and at  
a cost of only 20¢. - My eating  
cost on an average of 75¢ per day.  
that's 5.00 per week for food and 5.00  
for room making a total of \$10.00  
per week - If it wasn't for that  
P. P. business I wouldn't be so  
dead broke -  
Killed a small snake as I was

going down to the Auditorium  
this am, walked all over it  
before I saw it -

I met a Mr. Frey at Black Mt.  
that became very much interested  
in our part of Fla. and expects  
to visit it this winter - He is an  
real estate man. I told him that  
I got you to send him some papers  
and other literature, also this woman  
Mr. D C Frey. PO Box 141  
Rockport, Ind.

"Sucks" I've lost the ladies name, maybe  
I'll come across it later -

Dearie, I shure are getting lots of  
good business ideas in my head  
now. I's got to make some money you  
know, so I can do those ~~like~~ interesting  
things. Lots of love to all ~~over~~
